

Premium Add-on device for your home

This smart motion sensor, adopts super low power zigBee wireless network design and automatic threshold adjustment technology to enhance the stability of the sensor, efficiently anti-false alarm. Products suitable for safety protection of residential, villas, factories, shopping malls, warehouses, office buildings, banks, computer rooms and other places.

Features

- Standard ZigBee protocol
- Low power consumption design, support battery lifespan up to 3 years;
- Support undervoltage alarm;
- Free tool installation, stick and play;
- Anti-dismantle alarm;

Specification

- Model Number: MIR-IR100-TY
- Power Supply: DC3V
- Working Temperature: -10 ~ +55 °C
- Connections: ZigBee
- Battery Life: 3 years
- Product Size: φ48.4x53.4mm
- Battery Type: CR123A battery
- Detection Radius: 8m
- Detecting Angle: 90°
- Install Height: 2.2m
- Undervoltage Alarm: Supported
